

Role Description

DENTIST

Great Alpine Dental's purpose is to CARE. We're a business that does good, inspires and makes people smile.

What can we offer you?

We're a modern, family-owned practice that emphasises strong patient relationships and has a friendly, professional work environment. We're located in a fantastic part of Australia, offering more lifestyle options than most countries!

What type of person are we looking for?

We're seeking a dentist who will pour their energy, excitement and intelligence into a really special practice. To fit into our team, you'll have these qualities:

- Keen to build a lasting career with a modern, caring practice
- Friendly, supportive, calm & big-hearted at all times
- Loves to achieve high standards
- Organized planner, who constantly thinks ahead
- Highly attentive to detail in all areas of your work – proud and enthusiastic
- 100% reliable
- Loyal to the entire team, our patients and the business
- Always willing to give & receive feedback to ensure high standards are achieved

What's involved?

Our entire team works to ensure that every patient has a good overall experience. You'll be responsible for ensuring our patients receive appropriate, high quality care, delivered with warmth and a smile. Your role will involve:

- Providing the full range of diagnostic services, treatment planning, advice and general dental care to very high standards
- Full management of all patients in your care, including co-ordinating and overseeing referrals, correspondence & lab case work
- Complying with our infection control standards and procedures
- Working closely with the members of our Clinical and Admin Teams
- Contributing to a friendly, positive, professional practice reputation
- Maintaining strong, up-to-date clinical skills and knowledge through relevant CPD study

Which skills, knowledge & experience are needed?

- At least 5 years of recent clinical experience in Australian private practices
- Very comfortable performing all modern general dental clinical procedures, using current materials, instruments, and equipment
- Completely comfortable providing restorative, endodontic & pros treatments, and minor oral surgery to a high standard
- Experience in high-standard infection control standards and practices
- Comfortable in a computerised workplace, using dental practice software & email
- Excellent interpersonal and communication skills (spoken & written) in **English**

Dental practice experience required?

Definitely YES. You must also have current, unlimited AHPRA registration and appropriate professional indemnity insurance.

How do I apply for this Role?

Please send your resumé (with 3 professional/work references from the last 5-7 years) and a cover letter to our **Practice Manager, Kirk Tabalotny** (e: admin@greatalpine.dental).
